Ms. Storz,

Just to clarify, do you want just the items that were pulled as a result of SB 150? Some items were pulled because of other reasons, age, lack of circulation, new version, etc.

Sincerely,
Mark Wade

Ms. Storz,

I have received, and I am working on your request. I do ask that you fill out the attached form to clearly communicate the request, but it is not mandatory.

Sincerely,
Mark Wade

On Tue, Sep 12, 2023 at 8:23 PM S Storz <sstorz1@yahoo.com> wrote:

Hi Mr Wade,

I'm following up regarding library books being removed from circulation in response to SB150.

I was happy to hear that you were working towards reconsidering some of the titles that were removed on first pass. (Although as I mentioned in my public comment to the board, the law does not require any book removals above the 5th grade.) It is also my understanding that you suggested parents contact the school principals if they thought a book was removed that shouldn't have been in order for its removal to be reconsidered.

To this end, I'd like to request a current and updated list of the titles that have been removed from all five district schools.

I am asking that this be provided in electronic form.

Thank you,
Shonna

Well written.

Could you add a paragraph on how the district has revisited this many times and revised the weeded (SB150) list? I thought it might be worth mentioning. Give her insight into our processes and how it has changed. The list is significantly smaller than the original weeded list from this summer. I think that is worth mentioning.

Also, does the weeded list she was given include books that would have been weeded, regardless of SB150, due to natural fruition?

Just some thoughts.

PS in all the years Mike was Superintendent, tax rate increase (no matter how small) were never passed with a unanimous vote. There's a first you can hang your hat on—and a more positive one! 🍷

This is a good response. You may want to mention that our library books are considered part of our instruction or presentation. I think that is a point people could argue that library books are not. That may be where she keeps saying we are getting bad legal advice. You may want to ask where she is getting her legal advice. Or not.

Fiona,

Senate Bill 150, commonly known as the "Parental Rights Bill", was passed by legislators, vetoed by the governor, and overridden by the Senate and House on 3/29/23. This bill requires parental consent for:

- Mental health counseling related to human sexuality;
- Gathering certain survey information from students for research purposes;
- Instruction through curriculum or programs on human sexuality or sexually transmitted diseases (grades 6 or above).

The bill also states, "Any child, regardless of grade level, enrolled in the district does not receive any instruction or presentation that has a goal or purpose of students studying or exploring gender identity, gender expression, or sexual orientation."

In response to guidance provided by the Kentucky Department of Education, we reviewed current courses, programming, instructional resources and learning experiences to ensure compliance with the law (SB 150) including, but not limited to, health education curriculum, Advanced Placement coursework, dual credit courses and extracurricular activities. This was accomplished through a collaborative effort that included all school library media specialists, legal council, and our district leadership team. Our school library books and programs are considered instructional resources, and are made available to support the grade-level standards being taught. School libraries are instructional support entities within our school. As such, school libraries operate differently than a public library system.

As you may find in your research, this bill could continue to evolve. As a state public school, we are obligated to implement the law and we will respond if there are changes to the legislation.

Below you will find the bill: <https://apps.legislature.ky.gov/recorddocuments/bill/23RS/sb150/bill.pdf>

In Boyle County Schools, we teach rigorous grade-level state standards, and offer a variety of instructional programs and opportunities for our students. We will continue to give students the best education and opportunity possible.

Thanks,
Mark Wade

Superintendent Wade,

The Dual Credit Office at BCTC is requesting notification of your district's SB 150 policy in regard to dual credit courses. As SB 150 sets parameters on courses taken by public high school students, there is a direct impact on dual credit course offerings for current and future dual credit students in your district.

Please, see the attached letter from the dual credit office for further clarification of our request. We will need notification of your district's SB 150 policy as soon as possible. The sooner we receive your district's SB 150 policy, the sooner we can prepare for the fall enrollment of dual credit students in your district.

Please, reach out by email or phone (859-246-6912) with any questions or concerns.
Thank you, Dr. Gibbs

Superintendent Wade,

Good afternoon and thank you for sending your policy regarding SB 150. Based on what we received from you, Boyle County Schools have elected to implement the parental permission required for courses containing content regarding human sexuality/sexually transmitted diseases. If this is incorrect, please let us know before classes start on August 14, 2023.

As of today, Bluegrass Community & Technical College (BCTC) in conjunction with the Kentucky Community & Technical College System (KCTCS) has identified courses that may contain such content. The following courses have been identified as having potential content that may include human sexuality and/or sexually transmitted diseases, and therefore would require parental permission for your students to be enrolled. If you have students that will enroll or have already enrolled in these courses, the high school has the responsibility to provide parents/guardians an opportunity to review the curriculum/syllabus and other course materials/activities three weeks prior to the inception of the class. The regular sixteen-week BCTC semester classes begin on Monday, August 14, 2023, so we will be providing access to those high schools who have provided us with their SB 150 policies by Monday, July 24, 2023.

The courses BCTC can offer for dual credit that require parental permission are: ANT 220; ANT 231; ART 109; ART 210; BAS 274; BIO 118; BIO 120; BIO 130; BIO 135; BIO 137; BIO 139; CRJ 201; CRJ 202; CRJ 204; CRJ 208; CRJ 235; CRJ 278; EMS 202; ENG 135; ENG 233; ENG 281; EQS 240; EST 150; FAM 253; FIR 230; GEO 172; HIS 267; KMA 100; NAA 100; PSY 110; SOC 230; and WGS 200.

I am communicating with you today regarding this and Dr. Emma Gibbs, Director of Dual Credit at BCTC, will be sending communication to your high school staff who coordinate your dual credit efforts regarding the following:

- How to access syllabus for a class that is offered by BCTC for dual credit on the list identified above. Please note we are providing the most recent syllabus we have for the class in question which is from the Spring 2023 or Fall 2022 semester.
- Process for ensuring we have received communication from the high school that your school is in possession of the written parental permission slip your school has developed for each student enrolling in a course requiring permission.
- Contact information for our point person at BCTC to address questions about the syllabus and/or any questions about the enrollment process for dual credit.
- Since some students have already been enrolled in classes that require parental permission, Dr. Gibbs will also provide a deadline whereby we must receive confirmation from the high school partner for the student to remain in the course in question. After this date, we will drop the student if we do not have confirmation of parental permission.

We realize that this is a new process and look forward to working together to ensure we are

...the process and look forward to working together to ensure we are serving students while meeting these new legislative requirements with you.

Please let me know what questions you have for me at this point.

WB

Stephanie,

Good morning to you! I am reaching out to you as we have reviewed your policy again and it appears you have opted to enforce the prohibited list. I need to discuss with you as that will impact some courses such as PSY 110. Do you have a number where I can reach you?

Thank you so much!

Hi Emma,

The policy is going to our board for approval tonight and will be ready tomorrow. I wanted to have board approval before submitting to you. So that you know, our draft policy is the same as the KSBA policy you sent me from another district as a sample last Thursday. I will send the policy once the board approves it tonight. I hope this update helps!

Thanks,
Stephanie

Superintendent Wade,

The Dual Credit Office at BCTC is requesting notification of your district's SB 150 policy in regard to dual credit courses. As SB 150 sets parameters on courses taken by public high school students, there is a direct impact on dual credit course offerings for current and future dual credit students in your district.

Please, see the attached letter from the dual credit office for further clarification of our request. We will need notification of your district's SB 150 policy as soon as possible. The sooner we receive your district's SB 150 policy, the sooner we can prepare for the fall enrollment of dual credit students in your district.

Please, reach out by email or phone (859-246-6912) with any questions or concerns.
Thank you, Dr. Gibbs

Just a quick follow-up to BCTC's request for the district's policy regarding SB

150.

The college will need the district's policy as soon as possible. Without the district's SB 150 policy, there may be a delay in the enrollment of dual credit students this fall.

Please, let me know if you have any questions or concerns.

Thank you,

Dr. Gibbs

Subject: Time Sensitive- SB 150 Dual Credit: District Policy Needed ASAP

Superintendent Wade,

The Dual Credit Office at BCTC is requesting notification of your district's SB 150 policy in regard to dual credit courses. As SB 150 sets parameters on courses taken by public high school students, there is a direct impact on dual credit course offerings for current and future dual credit students in your district.

Please, see the attached letter from the dual credit office for further clarification of our request. We will need notification of your district's SB 150 policy as soon as possible. The sooner we receive your district's SB 150 policy, the sooner we can prepare for the fall enrollment of dual credit students in your district.

Please, reach out by email or phone (859-246-6912) with any questions or concerns.

Thank you, Dr. Gibbs

Good Afternoon, Emma!

Here is our board-approved policy relating to SB 150. Our Boyle County Team will meet on Monday to make plans for permission forms, parental consent, and any other issues related to dual credit. We will be sure to follow up with you on our plans. Thank you for helping us navigate this, Emma!

Best,
Stephanie

Hi Emma,

The policy is going to our board for approval tonight and will be ready tomorrow. I wanted to have board approval before submitting to you. So that you know, our draft policy is the same as the KSBA policy you sent me from another district as a sample last Thursday. I will send the policy once the board approves it tonight. I hope this update helps!

Thanks,
Stephanie

Hey Emma!

Do you have any other districts policies relating to SB 150 that you'd mind sharing? I'd be interested to see how other districts are addressing this with dual credit. We did not get any guidance from the KSBA policy update, so I was curious how others are approaching this.
